Head of School Comment

Welcome to our first newsletter of the new academic year.

It has been lovely hearing everyone's Summer adventures. Thank you for your efforts with the new school times and being on time before the gate closes at 8.50am. Pupils entering school with their peers on time, is crucial for a fantastic start to the day. Everyone is looking super smart in their uniform – please keep this up. A reminder PE uniform is only allowed on your child's PE day.

What has been even more pleasing is the attitudes that pupils have returned with. The focus, dedication and engagement I have seen this week across the school, has made me certain that we will have an incredible year.

We have welcomed a number of new staff this term and it already feel like they have been here forever. As a staff team, we spent the INSET days thinking about the year ahead and establishing strong working relationships. These have continued to developed with pupils and parents this week. Building relationships is at the heart of Sudbourne and we are truly proud of our community.

I would like to thank 'Sproutup' and our gardener Pauline for all of their incredible work on turning the mud bank into the beginning of an exciting new play space for our pupils. We look forward to seeing this blossom and develop over the coming months.

Next week we have a parent coffee morning on Wednesday 20th, where we will be sharing how we regulate, restore and build relationships. Do come along to find out more and provide the Leadership and Management Team with your thoughts and feedback.

Have a lovely weekend,

Ms Kingshott and the Sudbourne Team

Early Years

Ladybirds, Bumblebees and Butterflies have had so much fun settling into school life this week! We have been busy working on our fine motor skills (small muscle movements), gross motor skills (large muscle movement) and getting to know our friends and teachers. We really enjoy playing outside in the sand pit, water tray and mud kitchen. The weather has been fantastic - we even had a dance party in the sunshine! Please make sure your child has a pair of wellington boots and a water bottle at school for next week. We look forward to seeing what exciting next week brings!

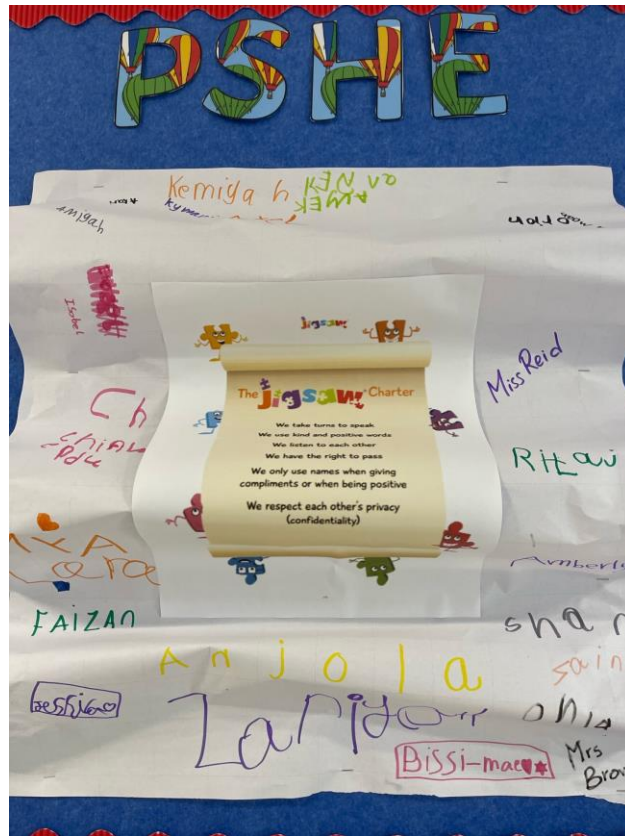

Phase 1

We have very much enjoyed welcoming the children into their new class this week.

In English, we have been looking at punctuality and omissions in sentences. Check out some fantastic sentence by Ellis and Inka.

Great Job girls. We have been discussing spaces we feel safe in during PSHE, we then all signed out jigsaw class charter to ensure we keep each other safe.

13. 9. 23

1. I have always loved finding out about Whales.
2. Whales are such graceful animals.
3. Whales have to eat thousands of krills every, every day.

Challenge: write two sentences of your own about an animal that lives in the sea.
Remember to start each sentence with a capital letter.

A shark eat every single fishes.
A shark is very quite when it's
try's to eat the fishes.

14.9.23

The monkeys are enjoying the fresh water.

Monkeys live in trees and are good at drinking.

The monkey standing might fall into the water on the edge.

Phase 2

In Phase 2 we have had a fantastic first week back at school and everyone has settled into their new classes beautifully! Some highlights of the week have been singing assembly and music with Mr Mather, exploring how rocks are formed in Science, creating our amazing door displays and setting goals for ourselves in PSHE! It has been great to get to know the children and we are all really looking forward to the year ahead.

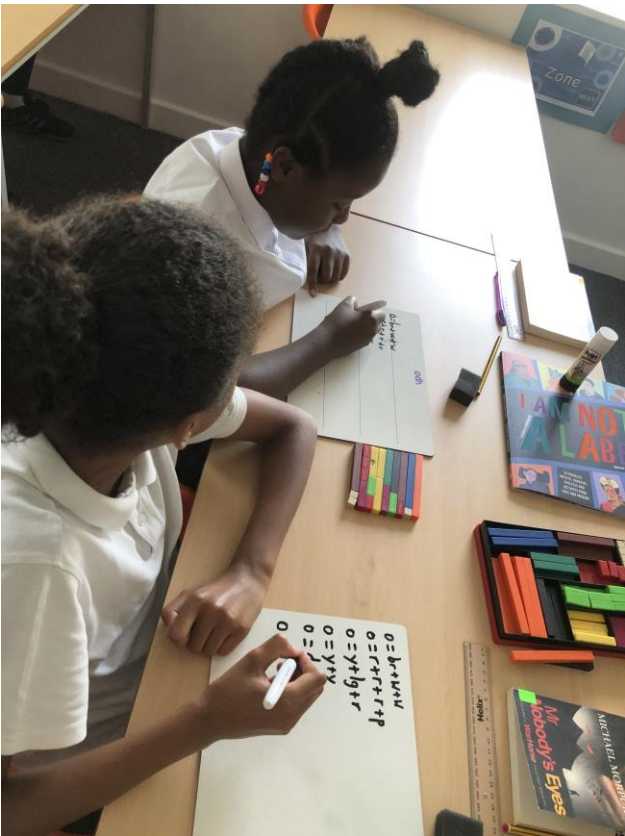

Phase 3

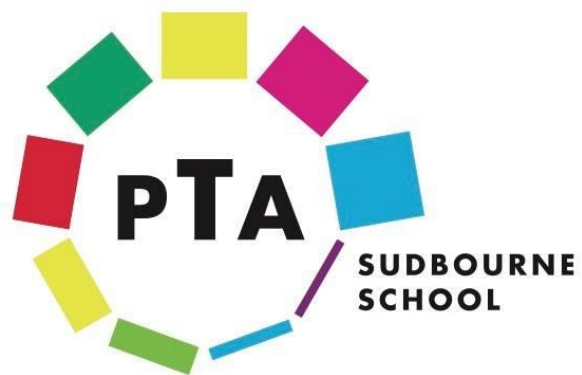

Phase 3 is off to an incredible start this year!

The children's dedication to embodying our school values from the very beginning of each day is truly inspiring. It's evident that all the children have wholeheartedly embraced their learning journey, and their enthusiasm is contagious. The teachers are equally excited and eager to see the remarkable progress and achievements that lie ahead for Phase 3 in the coming year.

PTA

Welcome Back Bake Sale and Social

Hi everyone!

Hope you all had great summers and welcome back to school!

Please join the PTA for our first event of the year, on **Friday 22nd September, 3.30pm-4.30pm.**

We are hosting a Welcome Back Bake Sale and Social. We will also have second hand uniform available to give away to anyone who needs it.

If you are new to the school, please come and say hello and find out about Sudbourne's PTA! Or just have a cup of tea, a cupcake and a chat, to get to know some other families.

We also need your support - please bake and donate (via the school office or deliver to the cake stall on the day). No nuts please! And if you can spare some time to help us set up, tidy up, sell cakes, make tea, that would be much appreciated.

We look forward to seeing and meeting you next Friday!

Enthuse Kids After School Enrichment Clubs – Autumn Term 2023 Exciting news!

We are thrilled to announce our enrichment club provision for the upcoming Autumn Term.

Thanks to our successful funding acquisition, we are delighted to offer our clubs at a significantly **reduced rate of only £5 per session, which is a fantastic 28% reduction.** To show our appreciation to those who have already registered for a club, we will credit the difference to their account. This incredible opportunity is available to all until club registration closes on Friday September 22nd 2023. Don't miss out on this chance to join our enriching activities and take advantage of this special offer!

We will be using Kids Club HQ to take bookings and payments for ALL clubs. The booking system is now live. All clubs will be allocated on a first come, first serve basis.

Please see below booking instructions:

1. Scan the QR code or visit our website enthusekids.co.uk. Create your Kids Club HQ account and input your details. You will then be able to see the clubs available to your child.
2. Select the chosen club and register your child.
3. When you are booking a club, you will be able to sign them up and then make payment to the linked account. Places will only be secure once full payment is made. You will then receive a confirmation email confirming your place in the club.

Clubs start **week commencing Monday 11th September 2023 and will run until week ending Friday 15th December 2023.**

We are proud to provide an extensive range of clubs to suit a wide range of interests but we will continue to seek to diversify and increase this offer as we move forward and we would welcome any feedback.

Please do not hesitate to contact me if you have any questions or queries.

Student Achievement

Amazing news that a pupil in Morpurgo Class is a finalist in the Down's Syndrome Association annual photography competition, My Perspective.

For the first time there is a child category, three photos were submitted by our superstar - one of them has been selected among an international field! She is one of only two finalists from the UK - the other is a teenager!

There is also a People's Vote, which will close on 25th September - Here's the link to vote: <https://www.surveymonkey.co.uk/r/YTX5N3M>

She will attend an award ceremony in October, that we cannot wait to hear about.

House Winners

We are yet to count the tokens this week so will provide an update in the next newsletter.

Sudbourne Superstars!

Well Done to the children who were awarded as our Sudbourne Superstars for producing outstanding work in a curriculum area.

W/C - 11th September 2023

Ladybirds -

Bumblebees - Shiloh for writing his name beautifully and explaining in detail all about his family!

Butterflies - Oscar for a wonderful picture of his house and trying his best to write his name

Zephaniah -Amina for always trying her best in learning and staying very focused.

Morpurgo - Kymani for using ambitious vocabulary in English showing fantastic behaviour for learning in all lessons.

Benjamin - Dexter for an amazing art session. Dexter used lots of different materials to create a fantastic piece to begin the year!

Hilary - Jahan for coming into school after being ill and catching up on learning.

Jemison - Ezekiel for his amazing Maths work this week. He worked hard and independently to show his answer in lots of ways. Well done!

Cousteau - Leela for her consistently hard working attitude and her beautifully presented work.

Attenborough - Arthur for making an amazing start with his handwriting in all subjects

Yousafzai- Rakiyah for taking so much care over her work. Her presentation in her books is beautiful.

Community News!

Lambeth Council have announced Sudbourne Primary School will soon be getting a School Street!

School Streets restrict vehicle access to streets around schools in the borough during school drop-off and pick-up times. The scheme aims to create safer and more pleasant environments outside of schools by prioritising people walking and cycling.

School Streets aim to:

- reduce road danger at the school gates
- tackle congestion
- improve air quality
- increase active travel to school

Find out more information at <https://www.lambeth.gov.uk/streets-roads-transport/school-streets>.

More details on our School Street will follow soon.
