Head of School Comment

This is our final newsletter of 2023 and a chance to reflect upon the journey that Sudbourne has been on this Autumn term.

Last week, the team and I reflected on the implementation on our new CUSP curriculum. Staff shared positive feedback about pupil engagement, excitement and a real buzz for learning based on the concepts and knowledge children have been learning over the Autumn Term. We will be updating the [Phase Update page](#) on our website to reflect Autumn 2 shortly.

The Leadership and Management Team and our Lambeth School Improvement Advisor, then had the opportunity to observe teaching and learning across the school. It was a joy to not only see the progress children have made in various subjects since September, but to also hear the children recall and use prior learning to link new knowledge. This is reflective of our [Curriculum Core Purpose](#).

Various events have occurred during the Autumn term from workshops, Coffee Mornings, Class assemblies, trips, enrichment performances and celebrations evening, and all have further developed and celebrated our sense of community. It is this feeling and sense of belonging for all that makes Sudbourne such a special place. Please look at the [school calendar](#) on our website for events next term – we have so much more to come!

The festive period has been well and truly been celebrated across the school, please reads on for further details below.

Special mention to Ms Jackson!

Sudbourne officially has its own resident photographer! Ms Jackson and her camera have featured at all of the events over the Autumn Term and we are truly grateful for her talent and skills behind the lens! We will be adding to our [gallery page](#) on our website, as the year progresses so do keep an eye out!

I would like to take this opportunity to wish you all a Merry Christmas and relaxing Winter break. The staff team have worked tirelessly over the last 14 weeks of the Autumn term and shone bright each day for our pupils. I feel incredible lucky to have such a dedicated, hardworking and passionate team.

We look forward to all 2024 has to offer us and will be ready to welcome children back to school on Thursday 4th January.

Miss Kingshott and the Sudbourne Team

Winter Sing

On Tuesday 12th December we held our first Winter sing performances, which were led by Mr Mather. They were a magical, medley of all things Winter .

Phase 1 told us about the 'Reindeers on the roof', 'snowflakes falling' and 'rapped about a snowman'. All before a 'jingle jive!'

Phase 2 and 3 wanted 'Christmas to hurry up', whilst they 'bundled up' on a 'winter walk'. They also celebrated a range of cultures with 'Mele Kalikimaka' and 'Celebremos Juntos' and sang about 'Christmas in the UK'.

The hall was full and our pupils excelled! We even had solo performances, dance moves and parent participation.

Mr Mather has worked tirelessly in Music lesson since October to ensure the performances were a success and it definitely paid off. We are incredibly lucky to have such a knowledgeable and skilled music teacher and know that music at Sudbourne will continue to flourish. Thank you again Mr Mather.

A special mention to our Piano teacher, Ms Pinar for also playing in the performances.

EYFS Nativity Performance

The children in reception and nursery all SHONE in our 'Twinkly Nativity' performance and we couldn't be prouder of them! They blew away all their parents and carers with their angelic singing, amazing dancing and very confident speaking on stage. All children have worked so hard to remember all of the actions and lyrics to the songs - and it paid off.

A very special well done to those children that had speaking parts on stage.

Thank you everyone for coming and supporting your children. It was such a great turn out and the children loved every second of it.

Phase 1 Trip - Horniman Museum

Phase 1 enjoyed a fantastic trip out at the Horniman museum this week, as part of our Science topic on animals.

We learnt about how they were taxidermied and placed on display, to allow us to get a closer look at animals we would not usually see. The animals are displayed to allow us to discover the different groups of animals which have evolved over time, and how they are organised by taxonomy. Most of the specimens, including the taxidermy mount of a walrus were collected more than 100 years ago during the Victorian and Edwardian periods.

We also took part in a scavenger hunt to find fossils and other interesting artefacts from around the world in the World Gallery. Where there are more than 3,000 objects from around the world giving a glimpse into other ways of life and a greater understanding of other peoples, places and cultures.

It was a fantastic trip to consolidate our learning on identifying and naming a variety of common animals including fish, amphibians, reptiles, birds and mammals and carnivores, herbivores and omnivores.

Festive Jumper & Christmas Lunch

Pupils and staff had a delicious Christmas meal on Thursday 14th, which included all the trimmings! A huge thank you to our kitchen catering team, Mark (our premises officer) and our amazing Midday

Meal Supervisors, for making the event run smoothly and adding to the festive spirit. Ms Kingshott even got involved with serving all of the lunch!

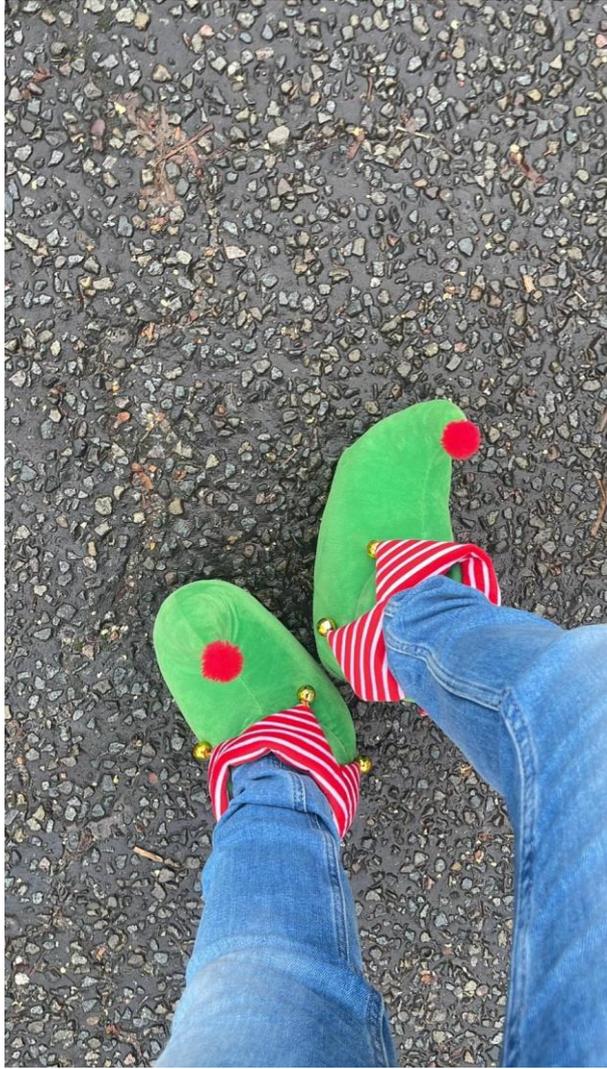

Elf in the School

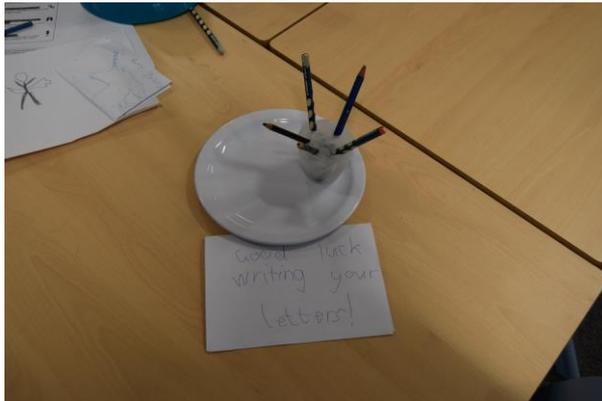

This Thursday and Friday saw some very chaotic scenes in Sudbourne. Some mysterious elves have been causing mayhem, trashing the Phase 1 classrooms and even Miss Kingshott's office!

They even used the photocopier and stuck their pictures up on the ceilings and all over the corridors. Hopefully our elf traps should catch them over the weekend.

Keep an eye out around Brixton, as the elves are definitely about!

Encouraging Creativity & Imagination

Sudbourne Primary School Futsal Club

BALL MASTERS FUTSAL TUESDAYS

Each Footballer strives towards different milestones. But they all start somewhere and many of the world's best started with Futsal. Futsal is intense & exhilarating, as defense turns into attack at breath-taking speed. Futsal is played with a half size and heavier ball on a small court. Having a small playing area forces all players to fully participate and be involved, which in turn fast-tracks the attainment of technique.

SWORD FENCING CLASSES SUDBOURNE PRIMARY SCHOOL

We are delighted to confirm that we will be continuing fencing classes as an after-school club on Wednesday afternoons after the festive Holidays.

Fencing is a sport for all girls and boys, anyone can excel and enjoy fencing, not just those that are already good at sport. Our classes are open to those that have never fenced before and children that have some fencing experience. All kit & equipment will be supplied as part of every session. Your child will need to wear long tracksuit trousers or leggings, trainers and a top. Please note that shorts are NOT allowed – sorry.

Our experienced coaches will teach your children all the key skills needed to enjoy our sport but also to be able to progress through the British Fencing grading levels and enter competitions if they choose to do so.

There are only an extremely limited number of spaces available we therefore suggest booking as soon as possible to avoid any disappointment.

To book and pay online for your classes please use the link below

PTA

Winter Fair success!

Thank you so much to everyone who made this year's Sudbourne Winter Fair such an amazing success! **We raised £2540** for the PTA, which will support the school's spending priorities over the coming year!

We also raised over £1300 from selling Christmas trees this year! Thanks to all the volunteers who helped us get the word out to local streets!

Calendars

The Sudbourne calendars for 2024 are here and they are fabulous! This year the theme is based on the personalities after whom the new classes are named - the children have made amazing artwork and the calendar is a lovely memento of this new class structure. It also includes all the term dates for 2024 so it is useful too! They make great Christmas presents!

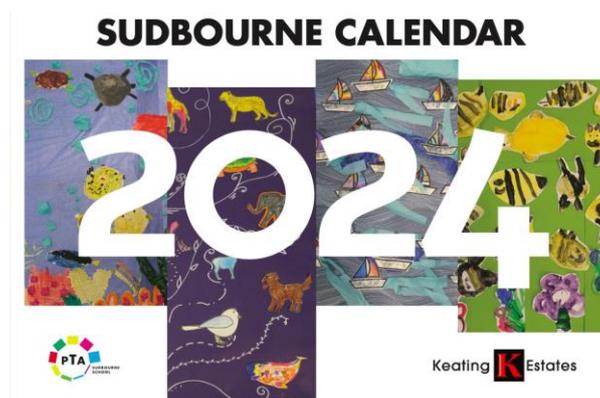

Prices are £6, or 2 for £9, 3 for £12, 4 for £15

If you missed buying one at the Winter Fair or the Winter Sing performances, thanks to the generosity of a Sudbourne parent, you can buy them from Naked Hare Group Salon, 130 Acre Lane, SW2 5RJ, opening times Monday-Friday 10am-8pm and Saturday 9am-6pm (Sunday closed).

You can always contact the PTA on pta@sudbourne.com

Class reps

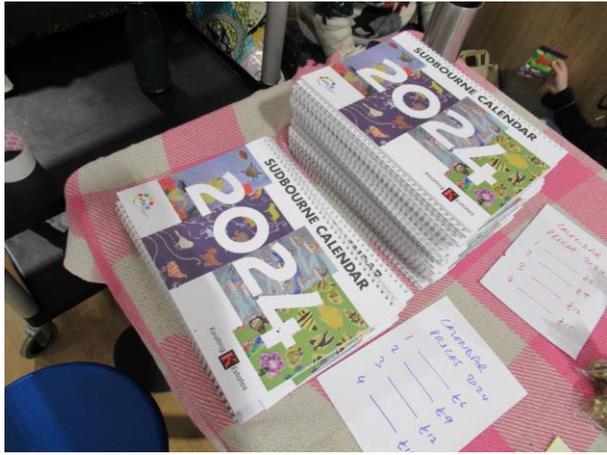

We are looking for volunteers to be our class reps for: Nursery, Reception, Year 4 and Year 5. You would join the PTA volunteer whatsapp group (or already be a member) and would help us to get the word out to class year groups about upcoming events. Please contact the PTA on pta@sudbourne.com or send us a message on the chat.

House Winners

This terms winner will be announced to the children on Tuesday! It is currently very close between 2 houses.
