## Head of School Comment

Welcome back and Happy New Year!

It has been lovely hearing about the children's break and seeing them all back in school ready to learn in full school uniform.

Staff and I had a productive INSET day on January 3rd, looking at what we want the vision and mission of Sudbourne to be. We explored why we are distinct from other schools and shared what our aspirations for pupils as they journey through Sudbourne and beyond. The Leadership and Management Team will be asking for parental and pupil feedback on this over the coming weeks.

We also reviewed elements of our behaviour policy, thinking about how everything we do is underpinned by strong relationships with the children. This provides us with opportunities to nurture and teach the children about positive learning behaviours and managing emotions. I then reviewed our school expectations of being ready, respectful and safe with the children in assembly and they have been tasked to think about our next whole school behaviour challenge.

Our Phase overviews on the school website have been updated, to reflect what happened in Autumn 2 and what is to come in Spring 1. Please do have a look and discuss this your child. Click here [Phase Update](#)

It certainly is colder, and sadly shows no signs of warming up just yet! Please ensure that your child is suitably dressed for this sudden freeze. All children need a coat to go outside at playtimes and lunchtimes.

Wrap up and stay warm,

Ms Kingshott and the Sudbourne Team

## Lost Property

This term we have launched our Phase 3 lost property monitors. These monitors will sweep the playground for lost property, MUGA and lunch hall after lunch time each day.

As long as your child's property is named, we will be able to get it back to them. Therefore, please ensure that all school uniform, coat, water bottles, hats and gloves are clearly named.

If items are unnamed, they will be left in the lost property box in the main reception.

## Sports News

We are pleased to announce that the Phase 3 boys football team have restarted their weekly football matches this term.

Their first match back happened on Wednesday 10th January 2024, under new league rules and at the freshly refurbished Ferndale Football pitch.

Sudbourne performed amazingly! Creating the majority of chances and dominating possession of the ball but were unable to score past Clapham Manor's impressive Goalkeeper. Moka stayed alert in goal making a magnificent save to prevent Clapham scoring from one of their few shots.

**Score - Sudbourne 0 vs Clapham Manor 0**

**Player of the Match - Chidibere**

**Squad:**

We are also pleased to report that in the coming weeks the Phase 3 Girls football team will be starting. Watch this space for more sporting news!

### BALL MASTERS FUTSAL TUESDAYS

Each Footballer strives towards different milestones. But they all start somewhere and many of the world's best started with Futsal. Futsal is intense & exhilarating, as defense turns into attack at breath-taking speed. Futsal is played with a half size and heavier ball on a small court. Having a small playing area forces all players to fully participate and be involved, which in turn fast-tracks the attainment of technique.

## Calendars

You haven't missed the chance to buy a fabulous 2024 Sudbourne Calendar!

The Sudbourne calendars for 2024 are here and they are fabulous! This year the theme is based on the personalities after whom the new classes are named - the children have made amazing artwork and the calendar is a lovely memento of this new class structure. It also includes all the term dates for 2024 so it is useful too!

**Prices are £6, or 2 for £9, 3 for £12, 4 for £15**

Thanks to the generosity of a Sudbourne parent, you can buy them from Naked Hare Group Salon, 130 Acre Lane, SW2 5RJ, opening times Monday-Friday 10am-8pm and Saturday 9am-6pm (Sunday closed).

You can always contact the PTA on [pta@sudbourne.com](mailto:pta@sudbourne.com)

### **Class reps**

We are looking for volunteers to be our class reps for: Nursery, Reception, Year 4 and Year 5. #### About the role

As a Dad Squad volunteer your role will be to:

- Help us promote the FRED programme to local fathers and families
- Support and mentor other dads through the programme
- Act as a FRED champion and recruit new Dad Squad members

You'll attend an initial training session, receive a set of FRED resources, and be matched with a nursery / early years setting in your local area, while it prepares to run the FRED programme.

You'll work with staff at the setting – with support from the Dad Squad team – at key points during the six-week FRED programme, to help recruit dads into FRED, and provide them with ongoing support to make the most of it and share their feedback with us.

#### About FRED

Fathers Reading Every Day is a six-week reading-for-pleasure programme for fathers of young children, which we'll be delivering and evaluating in early years education settings across the borough, from 2024-2027.

FRED helps children do better at school and build stronger relationships with their fathers. It also helps dads feel more confident at helping their children learn – and gets them more involved in school and nursery life.

**FATHERHOOD  
INSTITUTE**

## About you

You're probably a dad, a stepdad or a granddad. Maybe you're an uncle or older brother with experience of looking after young children. That's important because we want our Dad Squad volunteers to be able to speak from the heart about why dads matter, and understand the joys and challenges of being a father to young children.

Most early years staff are female, and often it's mums who are more likely to drop their children off and pick them up in the playground. Sometimes men find nurseries and other settings quite scary or alien. Just seeing you there promoting FRED can have a positive effect: it shows the dads – and mums – that fathers are welcome, and have an important role to play.

Some of the fathers you'll meet might lack confidence as parents. They might struggle with reading or other educational activities, and need a helping hand to make the time to do FRED or understand the impact they could have. You don't need to be an educational expert to do this: just be warm and approachable, and explain how FRED works.

With some dads, English might not be their first language. If you speak other languages they might come in handy, but if not we'll make sure you know how to signpost families to help in their own language.

## More details

We're asking for a minimum time commitment of 20 hours overall, with 2 hours per week in the six-week period of the programme itself. Some of this time needs to be 'on location' at your setting, but some can be done from phone, for example catching up with FRED dads by text or email.

To be part of the Dad Squad you'll need to pass a DBS check – which we will fund (this could be useful to you in other jobs or roles).

You'll need to have reliable phone and internet access (we'll give you a small allowance to cover your usage for Dad Squad-related usage). We'll cover reasonable expenses for your travel costs.

Note: If you receive benefits, you can still volunteer. [Find out more.](#)

*Lambeth FRED and the Dad Squad are led by the Fatherhood Institute, together with three local charities: Unity Matters CIC, Future Men, and St Michael's Fellowship. The programme is supported by the Mercers' Company as trustee of the Charity of Sir Richard Whittington*
