16th September 2022

Dear Parents/Carers,

Secondary Transition Parent Workshop for Year 5 and 6

Following the Parent Information Meeting on Wednesday 14th September, the school received feedback regarding the information available to parents about the application process for secondary school and the Lambeth/Wandsworth assessment procedure.

In response to this, I would like to offer parents of **Yr 6 (and Yr 5) children** the opportunity to attend a Secondary Transition Meeting on **Wednesday 21st September from 6pm - 7pm** in the main school hall.

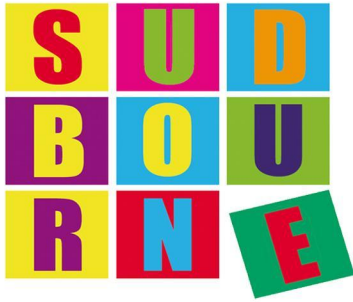

The purpose of this meeting will be:

- To provide advice and support in completing the CAF (Common Application Form)
- To highlight key dates for applications
- To provide clarification around the ability banding tests for Lambeth and Wandsworth

We would encourage you to attend so you are well prepared and can identify any areas that you may require assistance with.

In addition, from next week, all children in Yr 5 and Yr 6 will be exposed to verbal reasoning and non verbal reasoning questions during lessons. The teachers will teach children strategies to respond to these kinds of questions and will also be incorporating these skills into 'morning work' and maths starters until the date of the tests. This approach will be repeated in the summer term for Yr 5 children in advance of their testing period while Yr 6 children complete their end of Key Stage 2 SATs tests.
