### GENERAL DATA PROTECTION REGULATION (GDPR)

From the 25th May 2018, new regulations will be introduced which affect how our School handle people's data. This is called the General Data Protection Regulation. We will be publicising policies and procedures and notices that are compliant with the new regulations in the coming months and will keep you informed of any developments. For the time being, your child's data will be handled in the same manner in accordance with legal principles.

In the meantime, we thank you for your patience whilst we take the necessary steps set by the new legislation and guidance with handling data.
