Science Museum – Pattern Pod

Sat 19th & Sun 20th May, 10am – 6pm / **FREE** / 0333 241 4000 / www.science-museum.org.uk

Exhibition Road, South Kensington, London, SW7 2DD. Tube: South Kensington,

Pattern Pod is an amazing multi-sensory area for children **under 8 years old**. In *Pattern Pod*, children can explore water ripples without getting their feet wet, create symmetrical images on touch screens, follow robot trails and much more.

Fun, interactive exhibits encourage them to recognise and copy patterns—or create entirely new ones of their own. There's something for grown-ups too. Touch screens give fascinating insights into the science behind the exhibits and the ways in which children play and learn. Visit *Pattern Pod* on the ground floor of the Museum—it's a fun and stimulating place where children can learn through play to develop their science skills
