Head of School Comment

What a glorious end to the Summer term!

Let's hope the weather continues over half term. Children are encouraged to return to school in Summer uniform. This consists of grey shorts, culottes, skirts, navy blue and white checked (gingham) summer dresses. We are also encouraging children to bring in a sunhat on warmer days.

The school is also starting to bloom thanks to efforts of our gardener Pauline. I am excited to see this progress over the coming weeks.

I would like to take this opportunity to thank Ms Gregory for the amazing impact she is already having on things inclusion and special needs. I know many of you have already the opportunity to meet with her on the school date or during a 1:1 meeting. If you have not yet had an opportunity to do so, please arrange an appointment via the office.

A special mention goes to our Year 6 and 2 pupils, who showed such perseverance this term during their Statutory Assessment Tests (SATs). Next term, our Year 4 pupils take the statutory multiplication check and our Year 1 pupils sit the phonic screening tests – I know you will excel!

I hope you have a lovely half term break and come back ready for a busy final term. Please do look at the dates at the end of the newsletter.

Ms Kingshott

Student News!

We would like to celebrate one of our Year 2 pupils. Over the weekend she attended her 3rd gymnastics competition, and did exceptionally well! She achieved 1st place overall (floor and vault combined), 1st place on floor and 3rd place on vault. She also achieved the highest overall score

across all ages in her level. What an achievement! We are incredibly proud of you. Watch out Simone Biles!

Sudbourne has another incredible achievement to celebrate. One of our Year 6 pupils has just been signed to AFC Wimbledon! His commitment to achieve his goal this year, saw him travelling each week to West Ham to play and his dedication resulted in multiple offers for a contract. His family would like to thank our football coach Limahl for his time, effort and support. We expect to hear even more successes in the future and look forward to watching him on the big screen one day!

Science Bonanza

Science resources at Sudbourne have been supplemented by the addition of 30 brand new texts donated by the Booktrust Charity. Now curious minds at Sudbourne can answer their questions about Space, and becoming a scientist, via reading the newest book from superstar scientist Dr Maggie Adherin-Pocock – *Am I Made of Stardust?*

The Booktrust Charity is a South London based organisation, which is the UK's largest reading charity. It reaches millions of children every year with books, resources and support to get every child reading, regularly and by choice. Sudbourne Primary is privileged to receive their generous donation.

Students may remember 'Dr Maggie' from her appearances on Cbeebies and her work as a BBC broadcaster. Her work as an award-winning scientist is featured in the text which features answers to questions like:

How long would it take me to fly to a star?

What does dinner taste like on the International Space Station?

What would happen if I fell inside a black hole?

This text, which has been shortlisted for The British Book Awards 2023 Children's Non-Fiction Book of the Year, is a worthy addition to our Science resources.

The Windmill Cluster of Schools' Poetry Festival Summer 2023

Thank you so much to the children in Phase 2 and 3, who took the time to write a poem around the theme of 'connecting' for the Windmill Cluster's Poetry Festival. All of the pupils who participated in the competition demonstrated our values of aspiration and achievement, as they stood in front of their peers and performed their poems with confidence. The children who were lucky enough to be audience members also demonstrated our Sudbourne values of kindness and celebration, as they encouraged those who took part by clapping and sharing their kind thoughts about their poems.

Please see the winners of each class below:

56C - Diya

56W - La'zeekqua

56V - Keanna

4G - Edie

3/4C - Leela, Poppy and Primrose

3G - Jasmine

These wonderful acts will be attending the quarter-finals on Wednesday 7th June - we wish them all the best!

Bikeability - Year 5

'All week we have been learning how to ride a bike safely on the road. At first, we were getting used to the gears and riding around the playground. We then progressed on to practising signalling and riding with one hand. We had so much fun, and enjoyed playing games as a team. Finally, we got to go on the road and practiced riding around the local area. It has been a great experience!'

Lorcan, Juno, Moka and Ethan, Year 5

British Museum Trip

Phase 3 visited the British Museum this week as part of the History learning about Ancient Greece. Read the pupil accounts below;

My Visit to The British Museum

On the morning of the trip, I felt excited. I did not know what to expect. We started our journey by walking to Brixton Underground, where we got escorted to the platform. From there we went to Oxford Circus then onto Tottenham Court Road, before finally arriving at the Museum.

I learnt that the Greeks painted their gods on pots and it was fantastic to see the things we learnt about were in the museum. I wish it never ended.

Lokman Bas (56W)

My Visit to The British Museum

On the morning of the trip, I felt excited and energetic. We started our journey by walking to the underground tube station – it was really tiring. My partner was Kayley, we talked all the way there. As we drew closer to the museum, we were very tired and hot.

The rooms we visited was very beautiful and there was a lot of statues of famous Greek gods and goddesses, including: Athena, Hermes, Zeus, Poseidon and Dionysus.

After lunch, we went to a room with vases upon vases, all representing the Greek myths, which told us about ancient Greeks' belief about the gods.

While the trip left us feeling tired it was very fun.

Summer Fair!

Save the date for the Sudbourne Summer Fair!! This will be happening on **Saturday 1st July**.

We're planning all the usual fun and games - tombola, bags of fun, bake sale, jerk barbecue, bouncy castle...! We will need volunteers to help us organise and also to set up/clean up and run stalls on the day! Please get in touch at pta@sudbourne.com.

Own Clothes Day will be happening on Friday 30th June - children can wear their own clothes if they bring in a prize for the tombola! This will also be the deadline for Bags of Fun.

Keatings signboards

Keatings estate agents kindly sponsor our school fairs (as well as our calendars), and in exchange we give them a bit of publicity by letting them put up signboards at our home addresses to advertise the summer fair. They go up a couple of weeks before the fair, and come down soon afterwards.

We are always looking for more people to take a signboard - if you would be willing to host one this year, please complete this very short Google Form: <https://forms.gle/e6QahtLT3T1Ae6wX7>

If you have hosted a signboard before, please fill in the form just to say 'yes' or 'no' about hosting one again. Thank you so much!

We need your answers as soon as possible after half term!

[Perhaps you could include the Keatings logo as an image - attached]
