## Head of School Comment

It has been a busy two weeks at Sudbourne. Children are now settled into their routines and following the school expectations to support effective learning and positive behaviours for learning.

This has also been seen in the new expectations of book presentation and our whole school lesson structure. I look forward to being able to share our new curriculum with you on the 19th of October at both 9am and 3.30pm.

Pankhurst kicked off our sharing assemblies this week and what a treat it was. Given they have only been in school for 3 weeks, we were able to hear about their achievement so far in a range of subjects and were even treated to a Swahili lullaby from Music lessons with Mr Mather.

A gentle reminder that all medication should go directly to the main office. No child should have any form of medication on them. We have a permission slip that needs to be complete for the office to administer medication and they then keep all medication securely.

Have a lovely weekend,

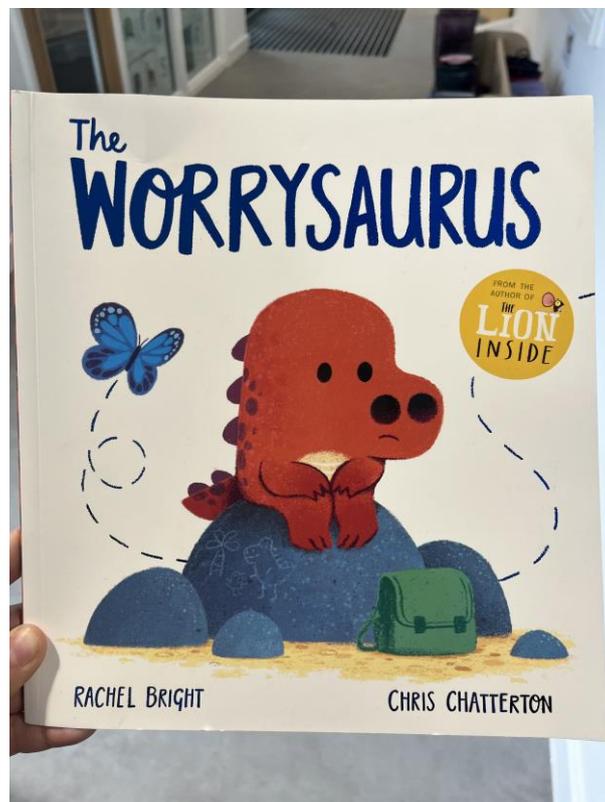

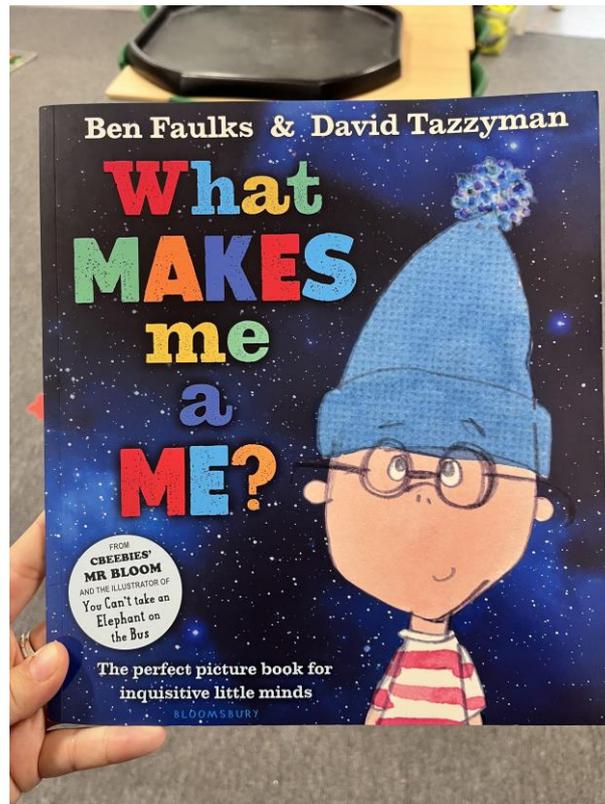

Ms Kingshott

## Early Years

This half term our overarching topic is 'Ourselves'. We are thinking about all of the things that make us special and learning all about the values at Sudbourne. Our core books this week are 'What makes me a me?' In Reception and 'The Worrysaurus' in Nursery.

We have been having lots of fun working on our fine motor skills and gross motor skills both inside and outside.

Please remember to return your child's library book and phonics boxes/pouches every Wednesday so that we can change them all and send them back out on Fridays.

## Phase 1

Have a look at these wonderful pieces of art from Kemiya, Lara, Mya and Jessica in Morpurgo.

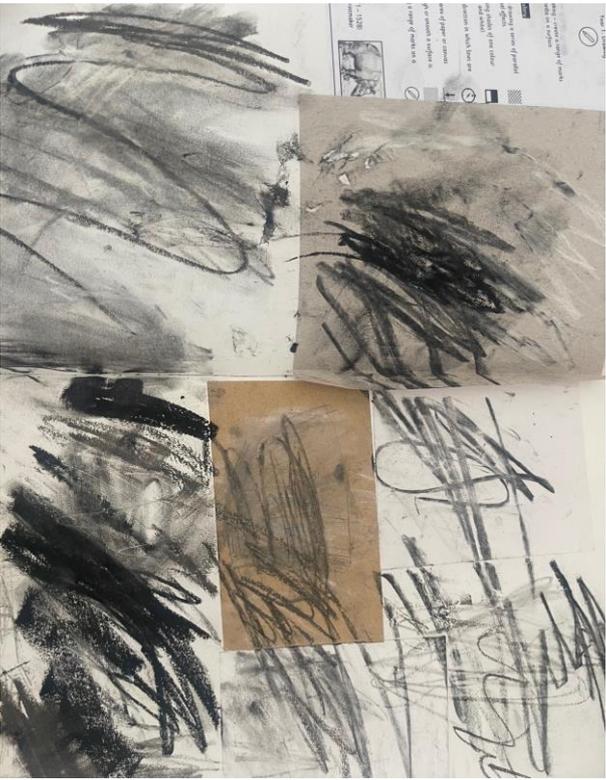

They have been practising cross hatching, smudging and using different amounts of pressure to create different tones.

A variety of mark making tools were used including chalk, charcoal and oil pastels.

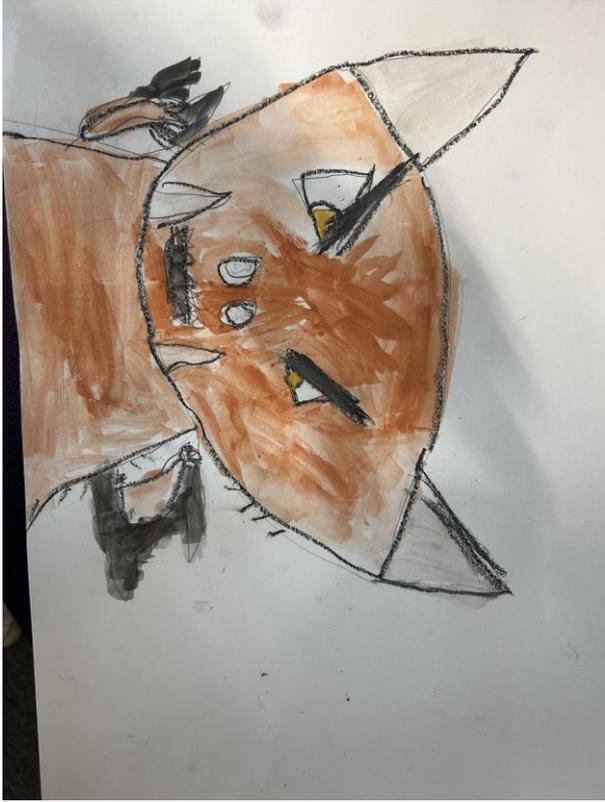

Look out for them on display.

Well done girls!

PTA

**Thanks to the bakers and buyers!**

Thank you to everybody who supported our 'welcome back' bake sales, which raised over £300! An amazing start to this year's fundraising!

Bakers - don't forget to collect your tins and Tupperware from the school office.

## Grant for the Nature Garden!

We are delighted that the PTA has successfully applied for a grant of £1500 towards the School's Nature Garden, from Brockwell Live Community Fund. This fund donates the money raised by all the festivals in Brockwell Park to support local good causes. The grant will go towards Phase 2 of the Nature Garden which will take place over October half term. Phase 2 will include some logs to play on and decking under the big tree. Once this is done the children will be able to use this green space for playing and learning!

## Are you a graphic designer?

We are looking for a graphic designer to help us with this year's school calendar. Ideally you would have InDesign and know how to use it! We can supply templates from previous years, and put you in touch with past designers for advice. All artwork is supplied to you ready made! Please get in touch if you can help: [pta@sudbourne.com](mailto:pta@sudbourne.com)

## Bikeability

Well Done to the following Year 5 children for completing Bikeability.

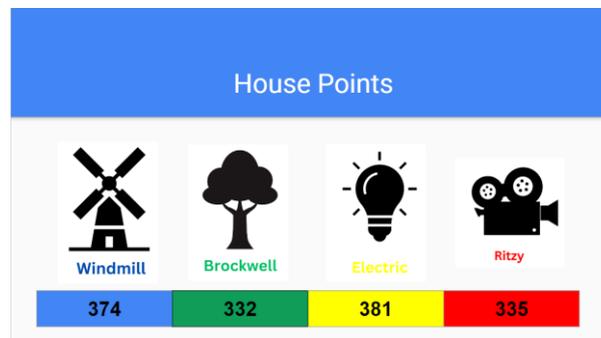

Otto, Max, Maddy, Moka, Mohamed, Elias, Elliot, Michelle, Zion, Kelile, Myah and Lara

## Student Achievements

We love to celebrate all our student's achievements in and outside of school. If your child has achieved something during their extra curricular activities outside of school and you would like us to feature it in our newsletter, please send an email with pictures to [admin@sudbourne.com](mailto:admin@sudbourne.com)

## House Winners

This week's winner is **ELECTRIC** with **381 Points**
