Head of School Comment

Over the last two weeks, we have held a number of events that have brought the community into Sudbourne.

On Tuesday 21st of November, we celebrated the UNICEF Children's rights day with an assembly from the Child Friendly Lambeth team. This team aims to canvas children's feedback to make Lambeth a borough with children at the centre. We will be working with them on a range of initiatives over the coming months.

Lambeth community police officers and school team gave us an assembly on Wednesday 22nd, about ways to stay safe travelling to and from school. They even stayed for playtime and allowed us to try on their hats!

I am still in awe about the success and community spirit that was created at our first black culture celebration evening - more details below.

The weather has definitely turned colder and following the email sent this week, please ensure all children come to school dressed appropriately with named winter coats and accessories.

Christmas has officially arrived at Sudbourne and will be kicked off with our Winter fair on the 2nd of December 12 - 3pm. I look forward to seeing you there tomorrow.

Children have been informed that the Christmas post box has arrived. They are welcome to bring in cards that the school council will deliver to classes. Please ensure they have the child's name and class name on. The last post will be the 15th of December.

Take a look at the dates below for the range of festive activities happening over the month.

See you at the fair tomorrow,

Ms Kingshott and the Sudbourne Team

Phase 3 - Imperial War Museum Trip

Phase 3 had an exciting visit to the Imperial War Museum on Tuesday, November 28th.

Our Year 6 pupils were thrilled to see their impressive work from last year showcased in an exhibit at the museum. Their work was linked the the Windrush generation and the work completed with author

The children had a tour of the WWI and WWII galleries and had the opportunity to meet an evacuee from WWII. The children were very inquisitive and learnt first hand about childhood during a war.

The museum is free to visit and several children commented that they would like to see and experience more of what is on offer so we strongly encourage you to visit again.

Black Culture Celebration Evening

Words cannot describe how incredible Sudbourne's first Black Culture Celebration Evening was on Thursday 15th November. We had over 350 parents and children in attendance!

The parental support of food donations was phenomenal and we were able to showcase such a vast range of dishes and cuisines to celebrate black culture.

Mr Mather led the children in a performance of traditional African lullaby's and songs, which the children had been learning in music assemblies and music lessons.

This was followed by a Soca and Afro-beat dance performance by children in all phases, before the dance floor was opened by DJ Morris.

A massive thank you to Ms Davis, Ms Willat, Ms Brown, Ms Donegal and Ms Gregory for the organisation of the evening but also to the whole staff team, who stayed to set up, serve food or face paint.

Thank you Healthy Eaters restaurant in Brixton for donating cultural dishes to our school also.

Here is some parental feedback;

The event was so much fun, inclusive of everyone, and the togetherness of the school community shined bright throughout! We found it all incredibly heartwarming.

Hearty congratulations to all of you for creating such a fantastic vibe

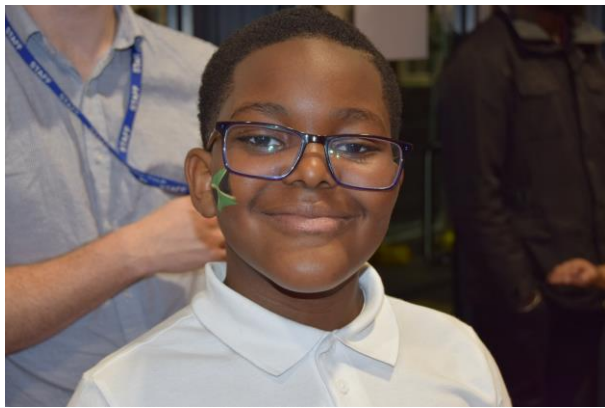

It was a fantastic, generous, joyous celebration. It was great community building

We have also created a gallery on our website of images of the evening.

BALL MASTERS FUTSAL TUESDAYS

Each Footballer strives towards different milestones. But they all start somewhere and many of the world's best started with Futsal. Futsal is intense & exhilarating, as defense turns into attack at breath-taking speed. Futsal is played with a half size and heavier ball on a small court. Having a small playing area forces all players to fully participate and be involved, which in turn fast-tracks the attainment of technique.

20/11/2023

Dear Parents / Guardians,

Lambeth Council has introduced a School Street at Sudbourne Primary School during drop-off and pick-up times. This temporary closure aims to help reduce road danger on the road, improve air quality and increase active travel to school, creating a safer and more pleasant environment at the school gates.

Due to a delay in sign installation, the School Street was introduced on the 17th of November.

The School Street operates on Mandrell Road, Strathleven Road from the junction with Mauleverer Road and Mandrell Road, and Lambert Road between the junction of Gleanville Road and Branksome Road, introducing a temporary closure between 8:15-9:15am and 3:00-4:00pm, Monday to Friday during term time.

Please see the map on the reverse for details of the School Street closure points.

We are now consulting on the School Street for six months:

- Please visit our commonplace to fill out our survey <https://lambethschoolstreets.commonplace.is/>.
- Any other questions you may have please visit www.lambeth.gov.uk/schoolstreets or email schoolstreets@lambeth.gov.uk

Helping you to walk and cycle
