

Parent Voice Feedback

Wednesday 11th December 2024

What works well....

Parents commented:

- I am really happy with my child's class teacher. She is kind and genuinely cares for the children.
- The Young Leaders jobs that some of the older children have is a good idea. It teaches them responsibility and to be independent.
- My child was really pleased to get a praise post card. It is a lovely idea for children to get this.
- I am so pleased that the children get to work with Pauline the gardener. It is a really valuable experience for the children.

Even better if...

You said	We did
<p>I am looking forward to the new parent app system coming in to further improve communication. Can we also explore having a class rep 'WhatsApp' group system?</p>	<p>The school will implement the Class Dojo app for parents first to improve day-to-day communication and reminders. Then explore whether a class rep system is still needed further down the line.</p>
<p>Can the P.E. shirts be available in each of the House colours with Sudbourne logo? This will help when it comes to non-uniform days where children come to school in their house colours.</p>	<p>This is possible. The school believe this would make sense and make children more identifiable in their Houses. The school will consult all parents in January to explore if this feedback is representative of a wider group of parents before any change is finalised.</p>

The school would like to thank those parents that attended the parent coffee morning.

As always, we are grateful of your feedback in order to support the school to continue to provide the best experience we can for our children and families at Sudbourne Primary School.
