

## Parent Voice feedback

Monday 20th October 2025

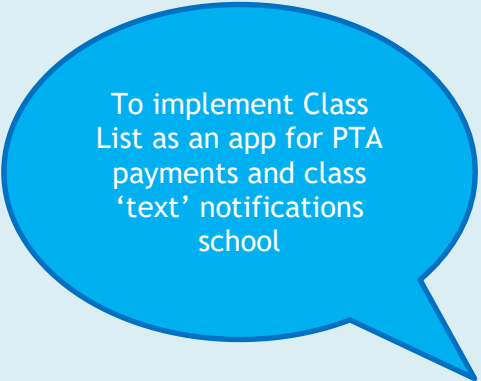

### What works well...

- “We are really pleased with the efforts the school makes to ensure my children are happy at school.”
- “Sudbourne is a lovely school with a nice sense of community.”
- “It is helpful to see teachers and school leaders at the beginning and end of the school day.”
- “Although there has been a lot of conversations in parent whatsapp groups about the change to school lunches, they are far healthier for my child.”

You said	We did
 <p>Consideration given to the start time of school events in the morning.</p>	 <p>School morning events to be as close as possible to drop off time.</p>
 <p>Parent workshop events at more accessible times of the school day.</p>	 <p>For parent workshops to be pre-recorded video streams so parents can access freely.</p>
 <p>Support for parents in better understanding the mixed age classes for Y2.</p>	 <p>Virtual parent workshop about mixed age classes groups.</p>

Letters are not always read by parents. How else could school communicate day to day information?

To implement Class List as an app for PTA payments and class 'text' notifications school

The school would like to thank those parents that attended the parent forum. As always, we are grateful for your feedback to support the school to continue to provide the best experience we can for our children and families at Sudbourne Primary School.
