**Date: Friday 7<sup>th</sup> July 2021**

Dear Parents and Carers,

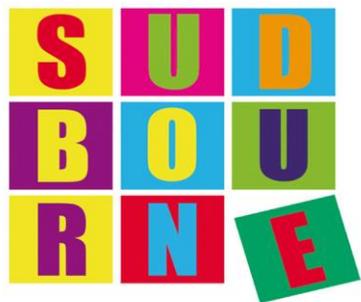

I hope this letter finds you well.

## **Farewells and welcomes**

At this time of year, we are saying goodbye to some much valued colleagues. Ms Fox is leaving us to go to Canada. She has taught in year 5/6 for the last three years and has been instrumental in developing our google classroom. Ms Withers who has taught at Sudbourne for a number of years leading music and science fantastically well but is now moving to Wiltshire. We are also saying goodbye to Ms Thomas who has been a valuable colleague in Year 4, providing a smooth transition from last academic year to this for the children. Ms Pellowe who has been in 1OP two days a week is getting married and moving to a new position – we wish her all the best. Mr Boreland who has been working in 1/2M will be leaving us at the end of term and has taken groups of children to develop their literacy skills. Ms Yearwood-Henry is leaving and going on maternity leave in September – all the best. I'd like to take this opportunity to thank these colleagues for their hard work during this academic year.

We will be welcoming two new class teachers, Ms Nikita Kharbanda and Ms Hannah Bainbridge. We additionally look forward to our new premises officer coming to Sudbourne, Mr Steve Lowe. We are also in a position to be increasing our team of talented support staff. We will be joined by Mr Athan Smith-Joseph, Mr Alex Roughead, Ms Carol Reeves, Ms Deborah Olakigbe, Ms Fatima Djabri and Ms Harieth Sedrick-Ugo. These colleagues will be working in different classes across the school. You may have seen some of our new team before as some have worked with us previously on short term assignments.

## Covid-19 surge testing

I have been advised that there is Covid-19 surge testing in Lambeth. Lambeth are asking everyone who lives or works in Lambeth to get a PCR test, and particularly if they are in Brixton, Clapham, Stockwell,

Vauxhall or West Norwood. Extra testing is underway in the borough and information about where you can get a test and instructions for home PCR test kits are available at the following website

## Final week

We will be continuing in the final week of the term with the same control measures and arrangements that have been in place since the school reopened fully on the 8<sup>th</sup> March. This includes start times, finish times, lunchtimes and all of our protective measures that are in our risk assessment. This will help to continue to keep everyone as safe as
