Dear Parents and Carers,

As we come to the end of our third week back after the summer holiday, the children continue to show huge determination to achieve and succeed. Achievement is one on our six core values that we continually reinforce during the school day. We have seen so many of the children succeeding across the full range of the curriculum.

PTA Tea Party

Thank you very much to the PTA for organising our first in person event for many months. Thank you to everyone who came along, it was lovely to see so many people there. Thank you to everyone who brought a cake along. Here's one of them!

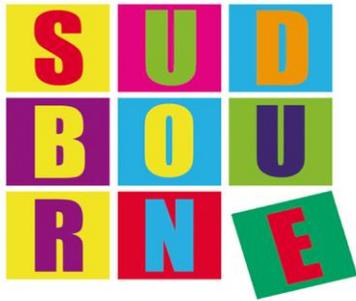

We are hoping to have more in person events during the course of the term and look forward to seeing you as many as possible then.

School Term Dates 2022 – 2023

I want to provide you with information as early as possible. We have planned the dates for next academic year. Please find attached the 2022-23 school term, inset days and holiday dates for the school. These will also be on the school's website shortly.
